Over 70 ½? Donate Via Your IRA.

If you are over age 70 ½, you may donate to Hoffman via a qualified charitable distribution from your Individual Retirement Account (IRA). There's no minimum, and you can give up to \$100,000 and receive tax benefits

And, if you're over 73, you can donate your IRA's Minimum Required Distribution and avoid paying income tax on that amount.

Contact your IRA Custodian or Patrick Belisle, Hoffman's Director of Philanthropy, at patrickb@hoffmaninstitute.org or 415-526-2983 for more information.
